## You Helped Ms. Bessie

Ms. Bessie is 85 years old and has lived in her home for 26 years. She loves to bake and welcomes friends into her home with open arms. A surgery for a brain tumor, a back surgery and joint problems have made it difficult for her to get around her home on her own. She uses a walker and assistance from a healthcare provider.

She had a steep, weathered and unstable ramp she had to use when going to doctor appointments. When Revitalize T-Town staff first visited her home, she said, "I have a terrible fear of going down that ramp."

Revitalize T-Town built a new ramp for Ms. Bessie. When she saw their completed work, she said, "I love it. I do. I do. I do!"

Ms. Bessie was thrilled that she would be able to safely get outside to attend her grandson's wedding at the end of October. "My old ramp was an accident waiting to happen. I was so fearful. Now I can go outside! This is such a blessing." Ms. Bessie baked pound cake for the volunteers to say thank you. She said, "My mother told me to never let someone be nicer to you than you are to them. I have remembered that. There is no reason to not be generous!"

**"My old ramp was an accident waiting to happen. I was so fearful. Now I can go outside! This is such a blessing."**

## Mr. and Mrs. R. Need Your Help!

Mr. and Mrs. R. have lived in their home for 16 years. They raised 6 children and now enjoy having their grandchildren visit their home!

As he ages, Mr. R.'s health has declined, and he now receives dialysis daily in their home. He often falls throughout the home, and Mrs. R. fears she will not always be there to catch him. Uneven flooring in the kitchen creates a tripping hazard, and Mr. R. is fearful of falling in the bathroom without grab bars or a shower seat.

"We are grateful for anything you are able to do to help, because we know that no one has to do anything for us."

## Program Sponsorship: Year-Round

Revitalize T-Town offers home repairs through four focus areas. Sponsorships supporting our home repair program are available from \$1,000 - \$100,000.

- **Roofs:** Roof repair and replacement.
- **Safe at Home:** Includes home modification repairs such as wheelchair ramps, grab bars, ADA compliant faucets, handheld showers, shower seats, raised toilets, fire safety and other repairs that ensure the safety of the homeowner.
- **Energy Efficiency:** Energy efficiency repairs help provide a weatherproof home and decrease energy bills for the low-income families we serve. These repairs can include attic insulation, replacing broken windows, sealing cracks around doors and windows, installing compact fluorescent (CFL) light bulbs, installing water conserving fixtures and any other repairs that are considered energy efficient on a case-by-case basis for the individual homeowner.
- **R.O.O.T. (Repairs Offered Other Times):** R.O.O.T. repairs include all other repair needs not offered as part of the other three focus areas and can include electrical, plumbing, painting and any other repairs that are considered necessary to make the home safe, secure and weatherproof or improve the neighborhood.

## Annual Fund

Donations to the annual fund are utilized year-round to help support our work of providing safe and healthy homes for low-income Tulsa neighbors.

## Online Giving

Make your difference with a one-time or recurring online donation to Revitalize T-Town. All donations support our work to provide safe, secure, and weatherproof homes for deserving low-income Tulsa homeowners. Visit [www.revitalizetown.org](http://www.revitalizetown.org).
