Revitalize T-Town provides free home repairs for low-income homeowners. All repairs focus on safety, security and weather-proofing and are done at no cost to the homeowner. As we spend more time in our homes due to the COVID-19 pandemic, we realize more than ever how important it is to feel safe and secure in our homes. This can mean a lock on our exterior doors, grab bars in the bathroom to avoid falls or ceilings that don't get wet or moldy from water damage. Not all of our Tulsa neighbors have these luxuries. Join us for Giving Tuesday and make a difference with a sponsorship that will provide life changing repairs for Tulsa homeowners in need!
